Speaking and reading

c) *In pair describe your position in the military in terms of where you fit into the overall structure. Use the categories below to help you.*

job superiors departments subordinates unit reporting structure branch

d) *Put the headings below in the appropriate text.*

1 light infantry 2 airborne infantry 3 armoured brigades 4 heavy armour infantry
5 mechanized infantry

Today's infantrymen can move by land, sea or air. The modern infantryman may fight on foot or go into action by parachute, helicopter, assault boat or in a fighting vehicle. Infantrymen can serve in a variety of units. Units are rapidly deployable and especially useful in missions conducted in urban terrain. They are equipped for general service. are equipped for arrival in combat by parachute. They are heavily equipped and capable of all land operations. Are the most heavily armed and protected infantry, using both AIFVs and APCs. The vehicles are armed with automatic cannon, antitank missiles and machine guns. The role of is to neutralize smaller pockets of enemy armour and soldiers. As they are used in conjunction with, their fire power is smaller than that of a mechanized infantry brigade. Typically, they utilize AIFVs.
