Fruitibix

Do you want to be slim?
Do you worry about your family's health?

Then you should try Fruitibix, the new healthy fruit and nut biscuit. Fruitibix tastes wonderful, but it contains less sugar than most other biscuits. Each biscuit contains dried fruit and nuts, including apples, coconut and banana. Sometimes you feel like eating something between meals. Now, instead of having a chocolate bar, bite into a Fruitibix. It won't make you fat and it will keep you healthy.

At lunchtime, instead of chips or hamburgers, have a Fruitibix. It contains all the essential foods for a balanced meal. And if you are in a hurry, and you don't have time for a proper meal, Fruitibix will give you the energy to keep on going.

So whenever your children ask for something sweet, give them Fruitibix instead of cakes or chocolate. They will love the taste and it won't harm their teeth.
