

Read the following directions on medicines and ointments. Then decide whether the statements are true (T) or false (F).

- | | | |
|--|---|---|
| 1. Wash your mouth with "Purityl Mouthwash" once in two days. | T | F |
| 2. Use Anti-sting for mosquito bites. | T | F |
| 3. Put two Diotum tablets in water and swallow them. | T | F |
| 4. Don't take Paracetil tablets for longer than three days. | T | F |
| 5. All the labels advise people to put the medicines where children cannot reach them. | T | F |
