Dear Ms. Dickinson,

I am writing (1) *in/with/of* reply to your advertisement in the Sunday Times (3/10/2000) (2) *to/for/by* local sales representatives.

As you can see (3) *at/from/into* my enclosed CV, I finished my degree in Economics last year and since then I have been working in my father's company and consequently have some experience (4) *of/by/from* sales. I have also been trying to improve my English through evening classes and have reached an advanced level.

I am very interested (5) *in/by/from* starting a possible career in sales and I feel very enthusiastic (6) *about/with/from* the possibility (7) *in/of/at* working (8) *at/about/with* teachers and English language teaching materials. I have actually studied from some of the books you have published and know their high quality.

I should mention that I am available (9) *with/for/to* attend an interview (10) *at/of/by* any time which might be convenient.

Please don't hesitate (11) *in/to/with* contact me at the above address if you need any further information.

I look forward (12) *in/to/by* hearing from you.

Yours sincerely,

Elia Ribeiro
