STATEMENT OF
OCDT FRASER

30 May

On the first half of an intersection soccer game OCDT Smith (White Team) attempt to clear the ball in his own goal area when OCDT Goldman, playing against the opposition (Red) team try to block the ball. OCDT Smith in his hurry did not hit the ball with his full feet but rather he hit it just the front part of his foot. As a result of the the blocking effort by OCDT Goldman, OCDT Smith seemed to twist his ankle. He fall down and was unable to apply himself on his right foot. OCDT Smith, after putting ice on injured, complained of continued pain. He was taken to the hospital before the game ended.
